

Call in to our Monthly Safety Meeting Teleconference:

Please call in to the AMLJIA Monthly Safety Teleconference toll-free! It's as simple as following these instructions:

1. Check the Safety Meeting Calendar on the following page for meeting times and topics to be discussed. (Topics may change without notice.)
2. Dial the toll-free conference number, 1-855-257-8693, at five minutes before the scheduled meeting time to help us begin on time.
3. When prompted, enter the participant code 3008007. Please enter *6 to mute your phone when you are not speaking. This helps eliminate background noise for all participants. To unmute your phone, enter *6 again.

This free monthly safety meeting teleconference allows you to participate in an open forum format. This is a good time to get answers to questions, share ideas about any topic, and network. Please don't hesitate to speak up!

Notes from each meeting should be distributed to your administrator. Safety reports should be incorporated into school board and city council meeting agendas to help raise awareness and gain support.
